

## IMPORTANT INFORMATION FOR SCHOOL YEAR 2019-2020 PLEASE READ!

**Did you know that you may qualify for free or reduced priced meals and if you do the State of Minnesota provides additional funding for schools?**

Our goal is for all families to complete the enclosed application regardless of income level. Not only does this form determine benefit eligibility, it is also a great way for the district to verify that we have accurate household information. If you know that your family is not eligible, simply write "NOT ELIGIBLE" in the income area of Step 3. Make sure to sign the form then submit it to your student's teacher, school office, or directly to the Food Service Office at Roosevelt Elementary 925 Parshall Street, Faribault, MN 55021. If you have any questions please contact Mary Wilson at 507-333-6772, or check out our website at [www.faribault.k12.mn.us](http://www.faribault.k12.mn.us), click on "Departments" then "Food Service"

## Importance of Breakfast

**According to many studies, when students have the opportunity to eat, everyone wins!**

- **Students** have better concentration, more participation, increased information retention and better attendance.
- **The District** wins by receiving funds from the USDA.
- **Teachers** win as students are more active and focused.
- **Parents** benefit from the affordability of school breakfast. Well-nourished students are happier!
